What is JUMPSTART? Jumpstart is designed to help rising 7th graders and 8th graders that are new to Herndon Middle School get a head start and feel comfortable on Day 1 of the 2019-20 school year.

What are the BENEFITS? Students who attend Jumpstart are better prepared for their first day!

- ✓ Learn your way around the school and how to have a successful start at HMS.
- ✓ Learn all about what Herndon Middle School has to offer to all students.
- ✓ Learn how to develop a strong character and make new friends.
- ✓ Know what to expect when the first day of school arrives!

How does JUMPSTART work?

- **Transportation:** Buses will be available to pick students up and drop them off at each HMS feeder elementary school, or parents may drop off/pick up students at **Kiss and Ride** located in the bus parking lot behind the school.
- **Arrival:** All students will meet as a group before breaking into smaller groups to attend different sessions.
- **Programming:** Students will break into groups of 15 – 20 and rotate through different sessions throughout the two-day session.
- **Meals:** Breakfast and Lunch will be provided.
